### Director's Message

Hello CDC Family,

It's hard to believe how much has happened in just two short weeks since we returned to school. Our hearts are with everyone impacted by the ongoing fires in Los Angeles. The devastation has touched so many lives, and our thoughts are with the individuals and families facing these challenges.

As we move through February, a month dedicated to friendship, love, and peace, let's take time to cherish moments with loved ones, embrace kindness, and celebrate the start of a brand-new year. Together, let's continue to educate, support, and spread joy and compassion throughout this special month.

Maraming salamat (Many thanks),  
Candace
