### Director's Message

Welcome to the first week of school! YAY! We are so excited to begin this journey with you and your child.

For many of our children, this will be their very first experience in a full-day school setting. This is such an important milestone, and we are honored to be a part of it. Throughout these first days, your child began building routines, learned how to be independent, and developed the confidence to navigate their school day.

We kindly remind families of the importance of arriving on time each day. A consistent start helps children feel secure, eases transitions, and sets the tone for a successful day of learning and fun.

Our team is here to support both you and your child every step of the way. Together, we will celebrate growth, encourage exploration, and embrace the many milestones ahead.

We can't wait to partner with you in nurturing your child's learning and development. Here's to a wonderful first week and an exciting year ahead!

✨ Let's make magic happen,  
Candace 🍷
